

State and National Board Certified Practitioners
7 days a week, 8am - 9pm
14850 Lake Hills Blvd. Ste 4, Bellevue WA 98007

Each Practitioner must be contacted individually.

To keep overhead to a minimum, allowing practitioners to enjoy a higher personal profit, we do not employ a receptionist. The Clinic Director, Tammy Foss, is a Certified Medical Massage Therapist who happily accepts new clients via phone and online. However, she does *not* book appointments for these independent practitioners over the phone. Please call each of them directly to secure an appointment or use our online booking system at www.kneadybody.com.

Thank you for your understanding.
